 **Vanmaye Publications Private Limited**

Welcome to the world of learning! Our books from nursery to fifth are specially designed for young learners, marking the beginning of an exciting educational journey. Our integrated series, **Sankalp**, has been carefully crafted to support the learning journey of our young explorers as they embark on their pre-primary and primary education.

Sankalp is written in accordance with the guidelines of **NCF-2023** (National Curriculum Framework). It is an integrated course comprising a set of books for pre-primary and primary classes. Each book has the core curricular subjects: English, Maths, Evs, Science, Social, GK & Computer, Moral Values, English Grammar Art & Craft and also Hindi, Telugu language books. The series is well-graded and takes the child smoothly from easy to difficult and known to unknown. Each lesson is meticulously planned to promote active learning, creativity, and social interaction. **Sankalp** is designed to foster a love of learning and stimulate curiosity and provides a solid foundation for future academic success.

Apart from books, the teachers are assisted with audio–video support, lesson plans, answer keys, question papers, and workshops (online). Our team of experienced educators and subject matter experts has worked tirelessly to ensure that the content is engaging, relevant, and aligned with required standards.

We hope our books become a trusted companion for teachers, parents, and pupils, making the learning experience enjoyable, effective, and unforgettable.

Happy Learning!
